Summer Pursuit Chart

Rules:

- —Spend at least 15 minutes a day in devotions with the Lord (including 5 minutes of Bible reading).
- —Memorize at least 1 Bible verse a week and recite it to your accountability partner.
- —Call your accountability partner once every two weeks to check up on daily devotions, memorizing, and to share prayer requests.

If you don't get all 15 minutes in on one day, you are allowed to make them up the next day. But, at the end of the week you need to have done a total of 105 minutes. You will be given 3 grace days for the summer, but try not to miss a day! Really try to get the verse done each week, but if you don't you are allowed to make it up the following week. You must be caught up with all of your memorization by the end of each month!

Record how much time you spend in devotions each day and the verses you memorized on the chart below.
